

NOTICE OF RECORDING FEE CHANGE

Effective **August 1, 2026**, the Williamson County Register of Deeds Office will begin charging an additional **\$5.00** fee for each additional cross-reference that must be indexed, as required by Tennessee law.

For example, an Amendment to a Deed of Trust containing five cross-references would incur an additional fee of **\$20.00** for the four additional references that must be indexed.

The goal of this change is to ensure that recording fees are applied consistently and uniformly across Tennessee, as required by state law.

To assist our customers with this transition, the Register of Deeds Office will provide a grace period prior to **August 1, 2026**. Beginning **August 1**, all documents submitted for recording will be subject to the revised fee structure.

We apologize for any inconvenience this change may cause and appreciate your understanding as we work to ensure compliance with state law. If you have any questions regarding recording fees, please contact the Williamson County Register of Deeds Office.
